RESPONSE TO OFFICE COMMUNICATION

This reply responds to the communication mailed January 8, 2002 holding Applicant's response filed on September 5, 2001 as not being fully responsive to the prior Office Action because a petition and fee were not filed for the acceptance of the color drawings. Applicant respectfully asserts that the communication was sent in error, since the prior Office Action did not indicate that the application was allowed or that the Examiner was requiring formal drawings. In Line 1, Paragraph one of form PTO-90C accompanying the prior Office Action, the Examiner states that "[c]olor photographs and color drawings are acceptable *only for examination* purposes unless a petition filed under 37 C.F.R. 1.84(a)(2) or (b)(2) is granted permitting their use as formal drawings." (emphasis added) Thus, since the application is still under examination, Applicant asserts that the use of the color drawings for examination purposes only is proper and that both the color drawings and the black and white drawings submitted with the filed application are suitable for examination.

Applicant also draws the attention of the Examiner to page 2 of the Office Action mailed March 5, 2001 (Paper No. 10) where the Examiner included the same paragraph as recited above and also included the sentence "In the event Applicant wishes to use the drawings currently on file as formal drawings, a petition must be filed for acceptance of the photographs or color drawings as formal drawings." Applicant therefore respectfully requests that submission of a

Appl. No. 09/183,267

petition for acceptance of color drawings be deferred until the application has been allowed. This request was also made by Applicant in their response filed September 5, 2001 on page 2, paragraph 4, under the heading of "Drawings".

Applicant respectfully maintains that the response filed September 5, 2001 was complete and request that the Examiner fully consider Applicant's response and issue an Office Action on the Merits. Moreover, since the prior response was fully responsive Applicant requests a refund of the \$1,440.00 fee for the Petition for Extension of Time that accompanies this reply.

Respectfully submitted,
